HAVE A QUESTION OR CONCERN?

The Pompton Lakes Community Advisory Group is committed to provide the residents of Pompton Lakes with an open forum to address issues related to the contamination from the DuPont Works Site. For the first time, the community will have an independent technical advisor that will help put the community on equal footing with the responsible party. The CAG will make every attempt to make sure your questions and concerns will get answered.

***There's many ways to let us know your concerns!
